Where freight and handling charges apply, charges will be applied in accordance with the most current Aber Freight and Handling Matrix. This is subject to change without prior notice.

The Aber Freight and Handling Matrix applies to a Monday to Friday working week. Urgent and Saturday deliveries are available, but will carry a higher cost than our standard service as detailed. Pricing for Saturday delivery will be determined upon request. Aber reserves the right to select the appropriate method of freight transport to ensure the best cost and security of the goods to be shipped.

Aber's commitment is that all orders received before 12:00pm will be dispatched that day via our standard delivery service. (Where this is not possible you will be notified accordingly at the time an order is placed.) Orders received after 12:00pm will be dispatched the following day.
